## **Scope**

The Academy is an organisation operating in a local context.

The policy is applicable to all staff, students and applicants. The principles of non-discrimination and equality of opportunity also apply to the way in which staff and students should treat each other, visitors, contractors, service providers, suppliers, former staff and students and any other persons associated with the functions of the Academy.

We will work to ensure that all of our students, employees and visitors, as well as those who seek to apply to work or study with us or who have previously worked or studied with us, are treated fairly and are not subjected to unlawful discrimination by the Academy.

## **Aim**

The Academy's aim is to promote equality of opportunity for all, through the following objectives:

- mainstreaming equality into the Academy's strategic and planning agenda;
- complying with its legal obligations;
- having an effective data monitoring and analysis process that supports this policy;
- assessing the impact on equality in our policies, procedures and practices at the Academy;
- involving staff, students and other stakeholders in the development and delivery of our equality objectives;
- ensuring that managers and staff undergo appropriate equality training for their role;
- promoting equality and diversity through internal and external communications;
- ensuring staff and student support services are, as far as reasonably possible, accessible to all;

- ensuring that both existing staff and students, as well as who seek to apply to work or study with us, are treated fairly and that individuals are judged solely on merit and by reference to their skills, abilities, qualifications, aptitude and potential;
- ensuring that all contractors and service providers operating on behalf of the Academy is aware of this policy and expected to adhere to it.

## **Implementation**

The Academy as a whole, shares responsibility for the successful application of this policy, whilst specific responsibility falls on managers and advisors who are professionally involved in staff and student support, development and supervision.

The Academy will seek to ensure that all staff and students have equal access to the full range of institutional facilities and that adjustments to working and learning practices are considered wherever reasonably possible in order to accommodate a more diverse community.

Any staff member or student who believes that he/she may have been the victim of discrimination, bullying, harassment or victimisation shall have full right of protection. The Academy is committed to finding resolution for complaints under this policy.

## **Role and Responsibilities**

1. Staff and students have a responsibility to:
  - Understand this policy and to contact their manager or advisor if there are any questions;
  - Challenge inappropriate behaviour or any discrimination;
  - Report unacceptable behaviour in accordance with the policy
2. Managers and tutors have a responsibility to:
  - Set a good example by treating all members of the Academy with dignity and respect;
  - Correct unacceptable behaviour;
  - Ensure staff and students know how to report discrimination, bullying and harassment. Ensure that reporting incidents does not result in victimisation;
  - Deal with complaints fairly, thoroughly, quickly and confidentially;
  - Ensure that due consideration is given to equality and diversity within their sphere of influence.

## **Complaints**

Any cases of harassment, discrimination, bullying or victimisation will be taken very seriously by the Academy. Any member of staff or students found guilty of unlawful discrimination or harassment will be subject to disciplinary action, including where appropriate, dismissal for gross misconduct. Any member of the public, visitor or service provider involved in discrimination or harassment, appropriate or serious action will be taken.

Staff, students or other parties who make a complaint of discrimination have the right to do so without fear of victimisation and the Academy will make every effort to ensure victimisation does not occur and that any complaints are dealt with promptly and fairly.

## **Internal monitoring and auditing**

The Academy's internal monitoring process is an important way of determining whether measures taken by the Academy to combat harassment, discrimination and victimisation are effective, and plays an important part in ensuring equality and diversity are properly promoted and protected within the Academy.

Monitoring will take place through the Annual Performance Review (APR) process.
